OCTOPUS SOIRÉE

Saturday, April 8th 2017 7-9:30 pm

San Francisco Zoo, 2945 Sloat Blvd., San Francisco 94132

A Science & Art Celebration of the Awesome Octopus

Marvel at one of the most unique and bizarre animals on Earth! Octopuses are aces at camouflage, squeezing into tiny places, and capturing all types of prey. In her 8 pm talk Jenny Hofmeister, Ph.D. of Scripps Institution of Oceanography will share her latest research and describe the role this master manipulator plays in our California Current ecosystem.
