

**GULF OF THE FARALLONES NATIONAL MARINE SANCTUARY  
SANCTUARY ADVISORY COUNCIL  
PROPOSED CHARTER**

**INTRODUCTION**

A marine sanctuary is an area of the marine or Great Lakes environment of special national, and sometimes international, significance warranting protection and management by the Federal government. As steward of coastal and ocean resources, the National Oceanic and Atmospheric Administration (NOAA) protects and manages Sanctuaries through the Office of National Marine Sanctuaries (ONMS). The mission of the ONMS is to comprehensively protect and manage marine or Great Lakes areas of special national significance to protect their ecological and cultural integrity for the benefit of current and future generations. NOAA uses ecologically sound principles of resource conservation, and develops and implements stewardship, education, and research programs that foster public understanding, support, and participation. Use of sanctuary resources must be consistent with the primary objective of the program, which is resource protection.

The ~~G~~goals of the ONMS are to:

- ~~to~~ ~~e~~Enhance resource protection through comprehensive and coordinated conservation and management tailored to the specific resources that complement existing regulatory authorities;
- ~~to~~ ~~s~~Support, promote, and coordinate scientific research on, and monitoring of, Sanctuary resources to improve management decision-making in the Sanctuary;
- ~~to~~ ~~e~~Enhance public awareness, understanding, and wise use of the marine or Great Lakes environment; and
- ~~to~~ ~~f~~Facilitate to the extent compatible with the primary objective of resource protection, multiple uses of the Sanctuary not prohibited pursuant to other authorities.

The Gulf of the Farallones National Marine Sanctuary (GFNMS) was established in 1981 to protect the nearshore waters of the California Coast north and west of San Francisco, and the offshore Farallon Islands. The sanctuary includes nursery and spawning grounds for commercially important species, over 33 species of marine mammals, and 15 species of breeding seabirds. The Farallon Islands themselves contain the largest concentration of breeding seabirds in the contiguous United States. Key habitats include coastal beaches, rocky shores, mud and tidal flats, salt marsh, estuaries, and pelagic waters.

As of March 2004, the ONMS Director announced that the area within the Monterey Bay National Marine Sanctuary (MBNMS) north of the San Mateo/Santa Cruz county boundary, referred to as the Northern Management Area (NMA), would be administered by GFNMS. The legal boundaries of each sanctuary remain as is. The GFNMS is responsible for developing and managing most sanctuary programs within the NMA, with the exception that the MBNMS is responsible for the Water Quality Protection Program.

## **NATIONAL MARINE SANCTUARY SYSTEM SANCTUARY ADVISORY COUNCIL POLICY STATEMENT**

The National Marine Sanctuary System regards the involvement of communities and the development of a stewardship ethic as vitally important to successfully conserve sanctuary resources. One key way to achieve this involvement is the formation of Sanctuary Advisory Councils.

Sanctuary Advisory Councils are formed of members from the community to provide advice to the Sanctuary Manager on the management and protection of the sanctuary, or to assist the ONMS in guiding a proposed site through the designation process.

The ONMS is committed to the full support, utilization, and enhancement of Councils at all sanctuaries. In order for Councils to achieve their full potential, the ONMS will:

- At each site, provide sufficient support to allow Councils to operate efficiently and effectively;
- Provide support and guidance from the national office to help Councils operate efficiently and at a basic level of consistency across the system;
- Promote coordination and communication among Councils and among sanctuary staff that work closely with Councils; and
- Develop training programs appropriate to Council officers and members, and Sanctuary Managers and staff.

### **ESTABLISHMENT AND AUTHORITY**

Section 315 of the National Marine Sanctuaries Act (NMSA or Act; 16 U.S.C. § 1445a) authorizes the Secretary of Commerce to establish Sanctuary Advisory Councils to provide advice to the Secretary of Commerce regarding the designation and management of National Marine Sanctuaries. This authority has been delegated to the Director of the Office of National Marine Sanctuaries (Director). The Director hereby establishes the GFNMS ~~Sanctuary~~ Advisory Council (Council).

This Charter describes the objectives and roles of the Council's activities, procedural requirements on the appointment of Council members and officers, requirements for the conduct of Council members and meetings, and other requirements. All Council activities must be conducted pursuant to this Charter.

### **OBJECTIVES AND ROLES**

1. The Council, in accordance with the Act, shall provide advice to the Sanctuary Manager regarding the management of the GFNMS.

2. The Council shall draw on the expertise of its members and other sources in order to provide advice.
3. Council members shall serve as liaisons between their constituents and/or communities and the Sanctuary, keeping the Sanctuary staff informed of issues and concerns, as well as performing outreach to their respective communities on the Sanctuary's behalf.
4. The Council may serve as a forum for consultation and deliberation among its members and as a source of consensus advice to the Sanctuary Manager. Such consensus advice shall fairly represent the collective and individual views of the Council members. In formulating such consensus advice, the Council members shall recall that the primary objective of the Sanctuary and the Act is resource protection.
5. The Council is established to provide advice to the Sanctuary Manager regarding the management of the GFNMS. This does not constitute authority to perform operational or management functions, or to make decisions on behalf of the Sanctuary.

#### **MEMBERS, ALTERNATES, AND OFFICERS**

1. The Council shall consist of no more than ~~7~~11 voting members, who shall be appointed by the Director from among persons employed by Federal, State, or local agencies with expertise in management of natural resources, representatives of local user groups, conservation and other public interest organizations, scientific and educational organizations, and members of the public interested in the protection and multiple use management of Sanctuary resources. The membership is designed to be balanced in terms of points of view represented, geographic diversity, and advisory functions the Council will perform.
2. The Sanctuary Manager sits on the Council as a non-voting member and shall work with the Chair in scheduling each meeting and approving the agenda to ensure that topics of discussion are relevant to the Sanctuary. Council meetings may not be conducted in the absence of the Sanctuary Manager or his/her designee.
3. To ensure relevant information exchange among NOAA agencies, the Managers of the Monterey Bay and Cordell Bank National Marine Sanctuaries, and a representative from the National Marine Fisheries Service shall sit on the Council as non-voting members.
4. There are two categories of seats for which voting members are appointed. The following procedures shall govern the application, nomination and appointment of Council voting members.
  - (a)(i) Governmental (~~3~~4 members). By virtue of the shared functional responsibilities of Federal or State jurisdictions in the implementation of Sanctuary-related management, the following government entities shall be requested to designate one individual to serve on the Council:-

(ii) If a government entity decides no longer to participate as a member of the Council, or fails to attend three of consecutive Council meetings and is formally removed by the Director, the Sanctuary Manager, with the approval of the Director, shall invite another appropriate government entity to replace that agency on the Council.

(iii) If it is found that a governmental member of the Council has violated one or more of the terms of this Charter, the Sanctuary Manager may recommend to the Director that the appropriate agency be notified and requested to replace the designee. The Sanctuary Manager may consult with the Council prior to taking such action.

(b)(i) Non-governmental (~~86~~ members). A representative of each of the following activities, which are integrally affected by the management goals of the Sanctuary, shall be selected:

The non-governmental members are appointed for a term of three years, and may compete for re-appointment. If necessary, subsequent terms of appointment may be changed to provide for balanced (staggered) expiration dates. Should a non-governmental seat become vacant, the vacated position shall be advertised and a replacement appointed as specified below. The newly appointed member shall serve for a full term beginning on the date of his/her swearing-in by the Sanctuary Manager.

(ii) Members serve at the discretion of the Director. The Sanctuary Manager may recommend to the Director the removal of a non-governmental member of the Council if that member has violated one or more terms of the Charter or on any the following grounds:

- Is convicted of any felony offense;
- Is found to have violated any of the following laws or regulations promulgated thereunder: the National Marine Sanctuaries Act, Marine Mammal Protection Act, Migratory Bird Treaty Act, Endangered Species Act, Magnuson-Stevens Fishery Conservation and Management Act, or another environmental law for which NOAA has jurisdictional responsibility;

An alternate (from the same government entity) of a governmental Council member may attend a Council meeting on occasion if the Chair and Sanctuary Manager are notified in advance of any meeting at which an alternate will represent the Council member, including the name, address, and position of the individual designated. An alternate may not name another alternate.

6. As each non-governmental seat becomes vacant and the process for selection of a new member (described under Appointments) is conducted, the Sanctuary Manager shall recommend to the Director the member and an alternate from among the top three candidates resulting from the review process. The alternate shall have all the rights of the member at such times the alternate is officially substituting for the member. The Chair and the Sanctuary Manager shall be notified by the member before an alternate officially attends a meeting. The alternate may also be appointed to complete a primary member's term if that member resigns or is removed.

1. Meetings

(a) Meetings are held at the call of the Chair and the Sanctuary Manager.

(b) Decisions (e.g., recommendations) made by the Council shall be made by majority vote of those present, provided there is a quorum (more than half of the voting members). A recorded vote may be requested by the Chair or the Sanctuary Manager.

(c) Each meeting shall be open to the public.

(d) Interested persons shall be permitted to present oral or written statements on items on the agenda, or other pertinent topics.

(e) Emergency meetings may be held at the call of the Chair or presiding officer and the Sanctuary Manager.

(f) Timely notice of each Council meeting, including the time, place, and agenda of each meeting, shall be provided to the local media and additional notice may be given by such other means as will result in appropriate publicity to interested groups. This requirement shall not apply to workshops scheduled by the Council to address strategic planning, administration, or specialized technical issues. The Council may not vote at any meeting for which the above public notice has not been issued. The Council may not vote on any agenda item for which notice was not provided.

(g) The Council shall meet as frequently as necessary, not to exceed once per month for voting meetings, but at least once every six months. The Council meeting place may be rotated among various locations adjacent to the Sanctuary and meeting sites shall be chosen to accommodate anticipated public attendance and be reasonably accessible to those interested in attending.

(h) The Advisory Councils for the MBNMS and GFNMS will meet jointly once a year. The primary focus of the annual meeting will be the collaborative work and regular consultation by staff and management from GFNMS and MBNMS on matters in this area and the annual work plan accomplishments for this area.

(i) Each Advisory Council may choose an Advisory Council member/alternate to act as a liaison between the two Advisory Councils. These liaisons may receive travel expenses to attend regularly scheduled meetings of the other Advisory Council.

The Sanctuary Manager and the Council Chair shall discuss topics for the agenda and agree that a topic is an appropriate Sanctuary issue before it may be placed on the agenda.

(c) The Council shall provide advice directly to the Sanctuary Manager via a written recommendation or a motion passed by the Council and reflected in the minutes. Draft recommendations and verbal discussions shall not be considered official advice from the Council, but may be considered as background information.

(d) Any written or oral advice or correspondence that the Council wishes to offer or express beyond the Sanctuary Manager shall be voted on and approved by the Council. Because the Council was established specifically to provide advice to the Secretary, and operates through the Sanctuary Manager, the Sanctuary Manager must also approve advice or correspondence that goes outside the Sanctuary.

(e) The Council shall base its advice on a vote of the Council with negative votes and abstentions noted, or on a general consensus reached during discussions, with minority opinions noted. A quorum shall be present when the vote is taken or general consensus reached.

(f) Any information or advice resulting from discussions in subcommittees or working groups that is requested by the Council shall be presented to and considered by the full Council and incorporated into the Council's recommendation to the Sanctuary Manager. (b) When speaking to the public or writing about any matter regarding the Sanctuary in a document for distribution beyond Council membership, the Sanctuary Manager, or Sanctuary staff, a member shall clearly distinguish those recommendations, opinions, or positions officially adopted by the Council as a body from those he or she may have as an individual. No member shall cast a vote on any matter that would provide a direct financial benefit to that member or otherwise give the appearance of a conflict of interest under Federal law. An affected member who may not vote on a matter may participate in Council deliberations relating to the decision after notifying the Council of the voting recusal and identifying the interest that would be affected.

#### 4. Conduct of the Council as a Body

Any correspondence or other written documents that are intended to speak for the Council as a body shall be coordinated with, and approved by, the Chair and the Sanctuary Manager. The following disclaimer shall be placed in all documents originating from the Council: “The Council is an advisory body to the Sanctuary Manager. The opinions and findings of this publication do not necessarily reflect the position of the Gulf of the Farallones National Marine Sanctuary and the National Oceanic and Atmospheric Administration.”

#### 5. Council Letterhead

The Council shall, with the assistance and approval of the Sanctuary Manager, design and use its own letterhead. All correspondence from the Chair or other members of the Council, or the Council as a body, shall be on this letterhead.
