### Greater Farallones NMS Advisory Council Recommends MBNMS Definition of Clean Dredged Materials

At its March 2<sup>nd</sup>, 2016 meeting, the Greater Farallones National Marine Sanctuary Advisory Council recommended that Monterey Bay National Marine Sanctuary articulate a definition of beneficial reuse of clean dredged materials from harbors or other appropriate materials from other sources at the San Mateo County Surfer's Beach site. The SAC urged an expeditious response to this because of community concerns.
