Youth Seat Recommendations

Youth seat members: Ezra Bergson-Michelson, Owen Youngquist
Consulting members: Bibit Traut (Education primary)

Recommendations:
1. Focus on creating new partnership programs or events with local community centers (such as city youth centers, YMCAs, JCCs, boy/girl scout troops, and/or boys and girls clubs).\(^1\)
2. Create a public-facing events calendar for scheduled events and open programs; promote the event calendar on social media at the end of programs and events.
3. Create a list of potential mentorship resources for students with a variety of interests to post on the website. A space for volunteers to contribute as mentors (for example, members of the advisory council, or scientists who can speak to their career experiences and/or “scientist spotlights”).
4. Release a newsletter via the sanctuary to local school districts updating students on opportunities.
5. Focus on determining potential long-term online opportunities in events and outreach, with a focus on not just the Bay Area but other geographic areas as well.
6. Put an emphasis on interactive activities and/or software (apps that help engage participants) for online events and youth programs.
7. Create a variety of one-time all-age events in the style of Sharktoberfest to promote youth and teen outreach, with a focus on not just the Bay Area but other geographic areas as well (sanctuary resources permitting).
