Sanctuary Advisory Council

GREATER FARALLONES NATIONAL MARINE SANCTUARY

Recommendation to Establish Kelp Recovery Working Group

At their January 10, 2018 meeting, the Greater Farallones National Marine Sanctuary Advisory Council voted to establish the Kelp Recovery Working Group to address the issue of bull kelp decline on the Northern California coast. The project is linked to the sanctuary's Climate Action Plan and sanctuary science needs. Francesca Koe, Conservation Alternate, was elected as working group chair.
