GREATER FARALLONES NATIONAL MARINE SANCTUARY

Resolution to Establish a Native Oyster Working Group

At its August 29th meeting, the Greater Farallones Sanctuary Advisory Council voted to establish an Olympia Oyster Working Group to evaluate key information available for Olympia Oysters in Tomales Bay. The group will also optimize the selection of oyster enhancement sites for the purpose of creating a more resilient Tomales Bay for people and the ecosystem focusing on living shorelines and increasing the native Olympia oyster population. Bibit Traut was selected as the working group chair.
